Authentic and updated -- nearly one third of the maps are new, and the text is fully revised -- the atlas illuminates the enchanted world created in THE SILMARILLION, THE HOBBIT, and THE LORD OF THE RINGS. Hundreds of two-color maps and diagrams survey the journeys of the principal characters day by day -- including all the battles and key locations of the First, Second, and Third Ages. Plans and descriptions of castles, buildings, and distinctive landforms are given, along with thematic maps describing the climate, vegetation, languages, and population distribution of Middle-earth throughout its history. An extensive appendix and an index help readers correlate the maps with Tolkien's novels. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
